Every program document, its status, and what unblocks it | HGF Management Company | July 13, 2026

Every publication number, its status, and its next action.

Program Administrator: HGF Management Company | July 2026

Number	Title	Status	Next action
INS-000	The INSITE Primer (plain-language education)	Built v1.0, verified	Refresh after pilot closes
INS-001	Brand Standards and Publication Manual	Legacy draft in project files; superseded in practice by the one-page Brand Kit and SVG logo masters (04_BRAND)	Consolidate draft + kit into v1.0 when the name decision lands
INS-002	Program Whitepaper	Built v1.0, verified (PDF, editable Word, source); v1.1 gained section 11, the confirmed three-altitude financing platform (July 13)	v1.1 after counsel review, consultant names, and pilot specifics
INS-002 v1.1	Program Whitepaper, placeholder edition	Released July 11: version 1.0 with launch-dependent blanks bracketed as explicit placeholders, contact and website added (insite-ca.org), change log appended; v1.0 retained unchanged	Bond counsel review before any external release
INS-003	RMA Design and Issuer Strategy	Built, verified	Counsel review of the five flagged questions
INS-004	Sourcing Strategy	Built, verified	Populate with selected firms
INS-005	Credibility Plan	Built, verified	Add advisor bios when confirmed
INS-006	School Fees Decisions Memo	Released July 12: questions 9 and 10 (school fees; capital structure) each presented with the worked answer, mechanics, counsel checks, and the cascade that follows either choice	Both decisions answered July 13; memo stands as the record
INS-007	Agreement Structure Decision Memo	Released July 13: program question 11 (one instrument or two), the case each way, the document impact list, and a recommendation of two instruments with the Administration Agreement incorporated by reference	Open. Founder decides; one question goes to bond counsel

Manuals and Working Documents

Number	Title	Status	Next action
INS-101	Appraisal Manual	Existing (July 2026 edition in project files)	Fix list: cover reads "TABLE OF CONSENTS"; align citations to Claims Register in next edition
INS-102	Appraisal Panel Request for Qualifications	Existing	Fix list: footer mislabels the document as INS-101
INS-102A	Standard DCF / Bulk Sale Analysis Workbook	Both formula defects fixed in v1.1_corrected (July 11, on Palmer's go-ahead): hard-cost row repointed from Builder Incentives to the Development Cost Period, soft-cost row repointed to the Soft Cost Period; 120 cells corrected, zero collateral changes, 1,019 formulas recalculate clean, fix proven with injected test inputs; v1 original preserved untouched at 02_PROGRAM/ARCHIVE_ORIGINALS; retired program name also removed from the cover and the internal version label updated (July 11)	Use v1.1_corrected for all analysis
INS-201	Developer Data Package Checklist	Built fresh v1.0 from the Appendix E source (E.1 to E.10), verified	None until program launch
INS-301	Participating Public Agency Guide (City, County, JPA)	Full draft v0.98 built July 13; questions 9 and 10 both answered and flipped through the guide July 13 (school fees excluded at launch; platform confirmed) from the founder's outline: all ten chapters, appendices built out in full: sample participation agreement and six sample resolutions, a worked example, and the annual administration calendar bannered for counsel, six rendered diagrams, full matrix, glossary, and checklists, with the CMFA joining form filed as the E-1 model, the two decisions marked in place (questions 9 and 10), defects corrected, 36 claim families crosswalked to the register (07_BUILDLOG/INS-301_Draft_Claims_Crosswalk), page-by-page visual verification passed	Founder merges or edits the draft; his two answers unlock final
INS-302	Developer Guide	Version 1.0 released July 12: consolidated eligibility, application, underwriting, approval, funding, construction phase, and FAQ from INS-202, INS-201, INS-101, and INS-401; those manuals remain controlling for detail	Founder read-through; deepen after his ten answers
INS-303	Investor Guide	Version 1.0 released July 13: ten chapters in four parts plus four appendices, every chapter marked PUBLIC or PORTAL, question 10's answer carried throughout, five diagrams embedded; PDF and Word rendered and visually verified	Chapter 4 and section 5.5 are bannered bond-counsel gates until Brad Neill opines; founder's chapter-plan edits still wanted
INS-304	Public Agency Implementation Guide (planned)	Proposed in the founder-side July 13 intake as a practical manual for city staff (annual calendar, approvals, county timeline, staff duties, administration agreement, finance-director FAQ); the memo numbered it INS-302, which belongs to the Developer Guide, so the library reserves INS-304	Founder confirms scope; draws on INS-301 chapters 4, 5, and 7

Data, Brand, and Evidence

Number	Title	Status	Next action
DATA	Statewide fee database kit	Started July 12: Airtable-ready schema, workflow, and legal basis (Government Code 65940.1, register G6); template carries one example row and a no-source-no-row rule	Populate the pilot jurisdiction first
INS-103	Appraisal Review and Quality Control	Outline exists in project files	Draft after pilot appraisal cycle
INS-010, 202, 401, 501, 601	Operations manual set (program operations, developer intake, transaction execution, annual administration and tax roll, public agency onboarding)	Authored by Dennis Lanni; adopted from quarantine July 11 with corrections: retired name removed, builder reference removed, standard disclaimer added, factual claims verified (Claims Register G-series); em dashes retained per project decision	Dennis confirms his thirteen draft service levels and thresholds at the question sitting
Brand Kit	One-page working identity standard	Built, verified	Fold into INS-001 v1.0
Structure Map	Program structure, flows 1-8	Built, mechanically audited (verify_map.py)	Reuse across surfaces
Claims Register	Evidence base, every claim sourced	Built, maintained	Re-sweep at every release
